

Connection.

We thrive on it.

We invite you to look inside and find a ministry where you can connect with other women. Our hope is that you will cultivate a group of sisters who will love and encourage you through your joys and sorrows and especially in your relationship with Jesus Christ.

Give Thanks!

"In everything give thanks; for this is the will of God in Christ Jesus for you."

1 Thessalonians 5:18

Our Mission...To Biblically equip women and provide opportunities for friendship, spiritual growth and service

Apples of Gold

This mentoring ministry has its origin in Titus 2, which commands the older women to teach the younger women. Apples of Gold encourages and challenges not only the younger women, but the older women as well. Don't miss this heart warming opportunity to connect on a deeper level with other women and to nurture your growth as a Christian woman. Each session lasts six weeks. Because the sessions take place in a home, groups are limited in size.

Coffeebreak

Coffeebreak is a weekly online devotional written by women at Hannaford. Once subscribing online, you will receive a weekly email devotional right in your inbox. It's not only a fantastic way to learn about and connect with our sisters in Christ, but also a useful tool in sharing Christ with others in our community, our workplace and our world! To subscribe, go to www.hannaford.org and click on Connecting...from there click on Coffeebreak Devotional. Interested in writing a devotional? Contact Holly Hauskins.

Creative Passions

Sewers & Reapers: Sewers, quilters, and all who want to be are welcome. We bring our sewing machines and a sack lunch for a fun day of guided sewing and fellowship. Each sewer will complete a quilt this year. Not only will you take home a beautifully finished project, but you will also gain some great friendships.

Scraps of Heaven: Whether you need to catch up on your scrapbook or you're just starting out, join us monthly and bring a friend or two! Experience the fun and fellowship with others who enjoy this art.

The Master's Touch: Experience painting in all mediums with this ministry during our monthly sessions.

MOPS

The purpose of MOPS is to nurture every mother of preschoolers by meeting her distinct needs to the glory of Jesus Christ. MOPS exists for every mom—urban, suburban, and rural moms, stay-at-home and working moms, teen, single, and married moms—moms with different lifestyles who all share a similar desire to be the very best moms they can be! MOPS meets from 9 a.m. to 11 a.m. at HSBC on designated Wednesdays. Please call the contact listed below for dates. While enjoying your relaxing two hours, your children (ages 0-K) are lovingly cared for in our Moppets program.

New Face

In an effort to make all visiting women feel welcomed to our church family, we make and deliver small gift packets. These provide information about the church and women's ministries. This is a great chance to meet new people and make a difference in someone's life.

Special Events

The best way to describe what this ministry is all about is...special. Some of these events include our annual Friendship Tea, March Madness, and Summer Strolls. We are always open to adding new and special activities to enrich your life in Christ and provide opportunities for you to introduce your friends and neighbors to your HSBC family.

Women's Retreat

Escape with us to a relaxing Montana camp for a weekend of spiritual growth and bonding with other women. Can't get away for a weekend? Attend the Fall Day-Treat held at HSBC instead. Both retreats will minister to you through music, speakers, prayer, small groups, time alone with God, fellowship, adventure and rest. "Retreat" with us and return rejuvenated, refreshed and recommitted to the Lord.

Moms in Touch

A weekly prayer group offering up prayers for our schools, students and teachers.

Sunday School Studies

Our goal is to equip women to know Christ intimately and to grow that relationship through the study and application of His Word. Building relationships with other women is an added blessing for all who participate in the women's spring and fall classes or the ongoing Fundamentals of Faith class.

Women's Bible Studies

Bible studies are offered from September to May. These are designed to allow women the opportunity for more in-depth Bible study and fellowship with other women. If you have a passion for exploring God's Word and how it applies to your life as a woman, this is the place to be.
