

Hannaford is Going Back-to-Back!

In an effort to better meet the needs of our congregation, we are going to test-run a new format for our worship services this summer! Beginning Sunday June 5th, our worship service schedule is

First Service 9:00am
Second Service 10:30am

Each service will last approx 65-70 minutes

What about Sunday School?

Sunday School will be even better!

With more time allowed for classes, there will be more learning and more opportunity for building community! We'll also be able to provide more options using the space limitations we currently face.

| | 9:00am | 10:30am |
|---------------------------|------------------------------|--|
| Children | Sunday School | Children's Church 2-3 yr old 4-5 yr old K-5 th grade |
| Junior High / High School | Sunday School | |
| Adult | a variety of class offerings | a variety of class offerings |

Why do we need to change?

The new schedule allows for a 20-25 minute break between services. This will provide weekly time for fellowship among church families. We hope to eliminate the idea that because people attend different services, they never get to see one another and catch up at church.

The new schedule will allow us to include more in our morning worship time, such as skits, extended worship or videos.

It reduces the challenge and workload of volunteers. It not only reduces the total number of volunteers needed each Sunday, but will also allow those who do volunteer in certain areas to also attend worship service.

Our prayer is that you are as excited about these changes as we are!
Please pray the transition will go smoothly!
